HONEST QUALITY **SINCE 1969**

..... **WETSUITS BY CAMARO**

For over 55 years, we have been pioneers in the development and manufacture of high-performance water sports suits.

Tradition is a commitment – that's why we never stand still. We are constantly driven to find the best possible solutions for our customers. If something doesn't fit, we make it fit. We are also happy to take measurements in person.

Our development and production facilities in the heart of Austria enable us to provide optimal customer service and extremely fast response times. And what's also important to us: with our commitment to Austria as a location, we live sustainability and don't just talk about it.

100%
MADE IN
AUSTRIA

OUR CUSTOMER IS **TRULY A KING TO US**

3 year repair service!

Our service leaves (almost) nothing to be desired. We have been pioneers for over 15 years with our unique 3-year free repair service. Simply send us your damaged Camaro suit and we will repair it and return it to you shortly. No questions asked, no fuss, and immediately.

If it doesn't fit, we make it fit!

With our on-site tailoring service, we can offer you tailor-made solutions that are tailored to your personal requirements in the shortest possible time. Where else can you find that today?

Only the best of the best!

Our materials are only the finest, and the workmanship of our suits is impressive. Each suit undergoes an in-house quality check. It is widely known that our selection is unique. To ensure that you can find your ideal model, our suits are available in 50 sizes and with a wide range of features.

We live and breathe sustainability!

Because we want you to enjoy our product for a long time, we're happy to repair it – no matter what happened to it.

Thomas Roiser and the Camaro Team

WHERE ON EARTH CAN YOU FIND THAT?

3-YEAR REPAIR SERVICE

For over 15 years, we have been absolute pioneers with our unique 3-year free repair service.

It is of fundamental importance to us that you enjoy our products for a long time. That is why we like to see ourselves as craftsmen rather than simply as a 'throw away' business. This is – alongside the selection of high-quality materials and the use of production cycles that are as environmentally friendly as possible – our understanding of responsible use of limited resources and sustainability in action!

Simply send us your damaged Camaro suit and we'll have it repaired and returned to you shortly. And all this with no questions asked, hassle-free and straight away!

Of course, you can also drop your suit off in person at our shop in Mondsee and, whilst you're there, take a look at our brand-new, latest collections.

Every detail of our drysuits reflects sophisticated engineering, countless hours of work, extensive experience, and a great deal of meticulous craftsmanship. We craft your suit in-house as if it were our own – with the highest standards of quality and reliability, and a great deal of passion.

Peter, Klara & Michelle, Design & Development

■ DRYTEC AIR

- + Slim and athletic fit
- + Ultra-lightweight and breathable fabric
- + Padded elbows and knees for greater freedom of movement

RECOMMENDED TEMPERATURE

for diving in cold water

3-LAYER STRUCTURE

1. The abrasion-resistant stretch fabric on the outside provides the necessary resistance.
2. The elastic thermo insulation in the center is breathable and warming even under pressure.
3. The especially comfortable XA-10 fleece on the inside does not only transport moisture away from the body immediately, but also neutralizes bad odors.

WATERSKI TITANIUM

*The best water skiers in the world
go with CAMARO!*

**Ultra-thin material –
like a second skin!**

*Unique technology –
a thin layer of neoprene
(0.5 to 1.5 mm) is sufficient for
optimal thermal insulation.
Maximized freedom of movement
enables peak performance and
eliminates any restriction caused by
the suit's material resistance.*

The Camaro Titanium Baselayer fits perfectly and makes every suit warmer.

Incredibly stretchy
and super elastic –
thanks to our Titanium
Open Cell material

TITANIUM BASELAYER

Baselayer with feel-good comfort! While other material coatings soak up water, our titanium inner coating stays permanently dry. Residual water simply rolls off.

Rolled seams
for a comfortable fit

The high-tech material
titanium enables maximum
flexibility thanks to its
open cell structure

No annoying seams
everything glued and
blind stitched

Shake it once and it's dry -
water rolls off immediately

Waterproof
and with high
thermal comfort

Water-repellent
thanks to the combination
of open-cell neoprene
and titanium coating.

Enjoy your suit for years to come – the Suit Care Set makes sure of it!

Due to the PFC-free coating, the suit should be re-waterproofed from time to time. In addition, the set includes everything you need to keep the zip running smoothly, as well as a repair kit for minor damage such as holes.

STORM DRY SUIT CARE & KIT

art. # 2 000-99

STORM TRILAMINATE REPAIR PATCHES

art. # 20 02-99

The repair kit is perfect for on the go and provides quick first aid when a repair needs to be done quickly and neatly.

WETSUIT SHAMPOO
150 ml

art. # 103-99

ATTENTION!

SERVICE YOUR CAMARO PRODUCTS ONCE A YEAR OR EVERY 100 DIVES.

Conventional detergents and care products can destroy the membrane and damage the drysuit. Therefore, we recommend:

The Wetsuit & Drysuit Detergent is a scientifically formulated cleaner for neoprene and water sports equipment. It reliably removes organic residues as well as chlorine and salt deposits.

CARE ZIPS & SEALS
