

PROTEC AIR & DRYTEC AIR

CAMARO

HONEST QUALITY SINCE 1969

..... WETSUITS BY CAMARO

For over 55 years, we have been pioneers in the development and manufacture of high-performance water sports suits.

Tradition is a commitment – that's why we never stand still. We are constantly driven to find the best possible solutions for our customers. If something doesn't fit, we make it fit. We are also happy to take measurements in person.

Our development and production facilities in the heart of Austria enable us to provide optimal customer service and extremely fast response times. And what's also important to us: with our commitment to Austria as a location, we live sustainability and don't just talk about it.

100%
MADE IN
AUSTRIA

OUR CUSTOMER IS **TRULY A KING TO US**

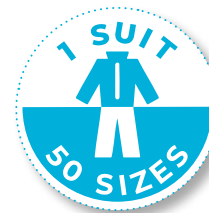

3 year repair service!

Our service leaves (almost) nothing to be desired. We have been pioneers for over 15 years with our unique 3-year free repair service. Simply send us your damaged Camaro suit and we will repair it and return it to you shortly. No questions asked, no fuss, and immediately.

If it doesn't fit, we make it fit!

With our on-site tailoring service, we can offer you tailor-made solutions that are tailored to your personal requirements in the shortest possible time. Where else can you find that today?

Only the best of the best!

Our materials are only the finest, and the workmanship of our suits is impressive. Each suit undergoes an in-house quality check. It is widely known that our selection is unique. To ensure that you can find your ideal model, our suits are available in 50 sizes and with a wide range of features.

Every detail of our drysuits reflects sophisticated engineering, countless hours of work, extensive experience, and a great deal of meticulous craftsmanship. We craft your suit in-house as if it were our own – with the highest standards of quality and reliability, and a great deal of passion.

Peter, Klara & Michelle, Design & Development

STORM DRY SUIT CARE & KIT

art. # 2 000-99

Cuddly soft, comfortably warm, and extra wearing comfort. The XA-10 thermo underwear – simply incomparable for me!

Carina, passionate recreational diver

Guaranteed wearing comfort
Thanks to the Quick Dry function, moisture is immediately transported to the outside

Ultimate comfort thanks to a 3-layer material mix
1. Abrasion-resistant stretch fabric
2. Elastic padding
3. XA-10 thermo fleece

XA-10 UNDERWEAR

The opposite of run-of-the-mill!
The XA-10 Thermo base layer is unique thanks to its 3-layer construction. It combines maximum functionality with maximum comfort. Typical CAMARO!

Cuddly soft collar
made from XA-10 thermo fleece

Highly durable
thanks to abrasion-resistant stretch fabric

Maximum freedom of movement
meets a contoured fit

Comfortable look
Pockets on both sides and inside chest pocket

No heat loss
High insulation thanks to elastic padding in the middle layer

No slipping possible
The two-piece version can be easily connected at the back using a zip.

UNDERWEAR THERMO XA-10

THERMOSUIT XA-10

Sizes

- Women: 36 – 46, 20 – 22
- Men: 48 – 60, 26 – 29

Material

- 3-layers structure

Features

- Especially warm
- Hand pockets on the left and right side
- Pleasantly soft collar made of XA-10 thermo fleece
- Inner lining made of soft XA-10 thermo fleece
- Chest pocket inside

art. # 915-99

**RECOMMENDED
TEMPERATURE**
for diving in cold water

3-LAYER STRUCTURE

1. The abrasion-resistant stretch fabric on the outside provides the necessary resistance.
2. The elastic thermo insulation in the center is breathable and warming even under pressure.
3. The especially comfortable XA-10 fleece on the inside does not only transport moisture away from the body immediately, but also neutralizes bad odors.

art. # 917-99

NO SLIPPING POSSIBLE
The two-piece version can be easily connected at the back using a zipper.
