HONEST QUALITY SINCE 1969

..... WETSUITS BY CAMARO

For over 55 years, we have been pioneers in the development and manufacture of high-performance water sports suits.

Tradition is a commitment – that's why we never stand still. We are constantly driven to find the best possible solutions for our customers. If something doesn't fit, we make it fit. We are also happy to take measurements in person.

Our development and production facilities in the heart of Austria enable us to provide optimal customer service and extremely fast response times. And what's also important to us: with our commitment to Austria as a location, we live sustainability and don't just talk about it.

100%
MADE IN
AUSTRIA

OUR CUSTOMER IS **TRULY A KING TO US**

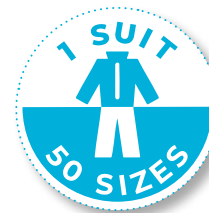

3 year repair service!

Our service leaves (almost) nothing to be desired. We have been pioneers for over 15 years with our unique 3-year free repair service. Simply send us your damaged Camaro suit and we will repair it and return it to you shortly. No questions asked, no fuss, and immediately.

If it doesn't fit, we make it fit!

With our on-site tailoring service, we can offer you tailor-made solutions that are tailored to your personal requirements in the shortest possible time. Where else can you find that today?

Only the best of the best!

Our materials are only the finest, and the workmanship of our suits is impressive. Each suit undergoes an in-house quality check. It is widely known that our selection is unique. To ensure that you can find your ideal model, our suits are available in 50 sizes and with a wide range of features.

The Camaro Titanium Baselayer fits perfectly and makes every suit warmer.

Incredibly stretchy and super elastic – thanks to our Titanium Open Cell material

TITANIUM BASELAYER

Baselayer with feel-good comfort! While other material coatings soak up water, our titanium inner coating stays permanently dry. Residual water simply rolls off.

Rolled seams for a comfortable fit

The high-tech material titanium enables maximum flexibility thanks to its open cell structure

Shake it once and it's dry – water rolls off immediately

No annoying seams everything glued and blind stitched

Waterproof and with high thermal comfort

Water-repellent thanks to the combination of open-cell neoprene and titanium coating.
