..... **WETSUITS BY CAMARO** .....

***For over 55 years, we have been pioneers in the development and manufacture of highly functional water sports suits.***

*Tradition is a commitment – that's why we never stand still. We are constantly driven to find the best possible solutions for our customers. If something doesn't fit, we make it fit. We are also happy to take measurements in person.*

*Our development and production facilities in the heart of Austria enable us to provide optimal customer service and extremely fast response times. And what's also important to us: with our commitment to Austria as a location, we live sustainability and don't just talk about it.*

**100%**  
MADE IN  
AUSTRIA

## WE LIVE CUSTOMER FOCUS

### **Our customer is truly a king to us!**

That's why our service leaves (almost) nothing to be desired. We have been pioneers for over 15 years with our unique 3-year free repair service. Simply send us your damaged Camaro suit and we will repair it and return it to you shortly. No questions asked, no fuss, and immediately.

### **If it doesn't fit, make it fit!**

With our on-site tailoring service, we can offer you tailor-made solutions that are tailored to your personal requirements in the shortest possible time. Where else can you find that today?

### **Only the best of the best!**

Our materials are only the finest, and the workmanship of our suits is impressive. Each suit undergoes an in-house quality check. It is widely known that our selection is unique. To ensure that you can find your ideal model, our suits are available in 50 sizes and with a wide range of features.

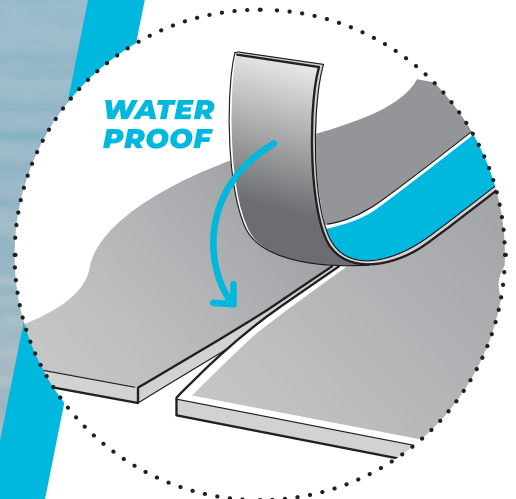

The Camaro Titanium Baselayer fits perfectly. Once you put it on, you can hardly feel it and it's super flexible – like a second skin!!

**Incredibly stretchy**  
and super elastic —  
thanks to our Titanium  
Open Cell material

**Seamless Bonding**  
Seamless processing  
through innovative bonding  
for waterproof wearing comfort.

# TITANIUM **BASELAYER**

**Baselayer with feel-good comfort!**  
**While other material coatings soak up water, our titanium inner coating stays permanently dry. Residual water simply rolls off.**

# TITANIUM BASELAYER
