CAMARO

HONEST QUALITY SINCE 1969

..... WETSUITS BY CAMARO

For over 55 years, we have been pioneers in the development and manufacture of high-performance water sports suits.

Tradition is a commitment – that's why we never stand still. We are constantly driven to find the best possible solutions for our customers. If something doesn't fit, we make it fit. We are also happy to take measurements in person.

Our development and production facilities in the heart of Austria enable us to provide optimal customer service and extremely fast response times. And what's also important to us: with our commitment to Austria as a location, we live sustainability and don't just talk about it.

100%
MADE IN
AUSTRIA

OUR CUSTOMER IS TRULY A KING TO US

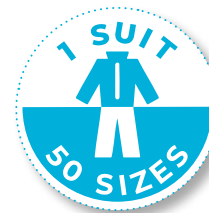

3 year repair service!

Our service leaves (almost) nothing to be desired. We have been pioneers for over 15 years with our unique 3-year free repair service. Simply send us your damaged Camaro suit and we will repair it and return it to you shortly. No questions asked, no fuss, and immediately.

If it doesn't fit, we make it fit!

With our on-site tailoring service, we can offer you tailor-made solutions that are tailored to your personal requirements in the shortest possible time. Where else can you find that today?

Only the best of the best!

Our materials are only the finest, and the workmanship of our suits is impressive. Each suit undergoes an in-house quality check. It is widely known that our selection is unique. To ensure that you can find your ideal model, our suits are available in 50 sizes and with a wide range of features.

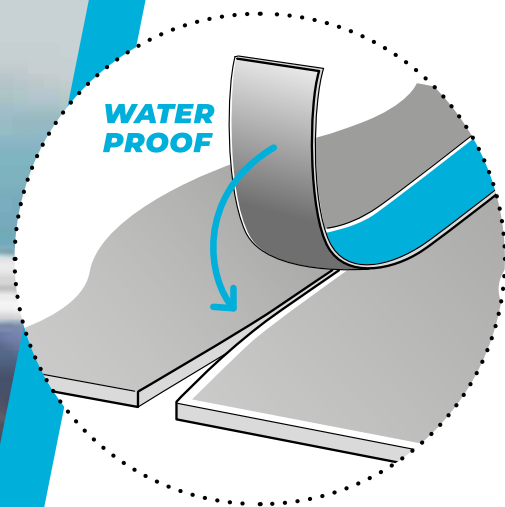

They are warm, lightweight, and elastic. I have loved Camaro suits since I was a child. The waterproof zipper on the Titanium Zero makes the suit complete in every way.

Giannina Bonnemann-Mechler / Multiple European water skiing champion

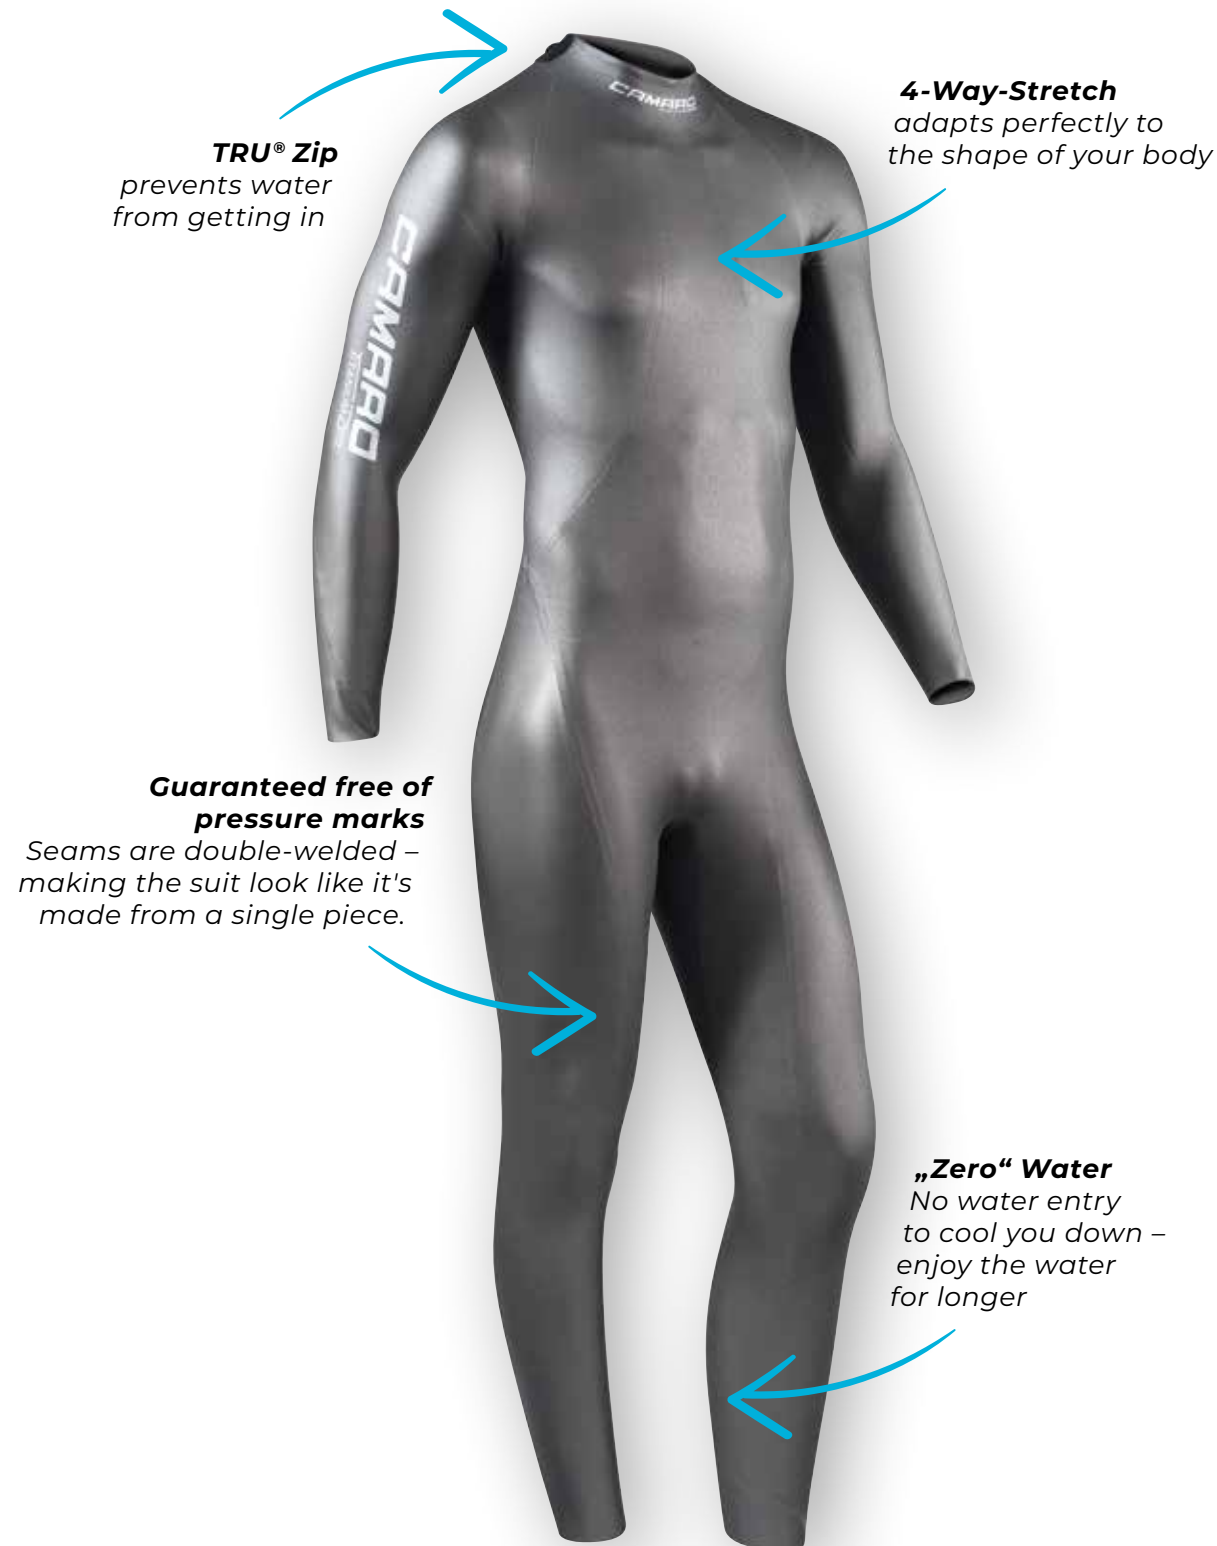

Water-repellent
thanks to the combination of open-cell neoprene and titanium coating

Seamless Bonding
Innovative processing for waterproof wearing comfort

WATERSKI

All Zero, or what?
The Titanium Zero leaves nothing to be desired. The integrated TRU® Zip and the titanium material keep you extremely warm, even in cold temperatures. Perfect for cold weather!

TRU® Zip
prevents water from getting in

4-Way-Stretch
adapts perfectly to the shape of your body

Guaranteed free of pressure marks
Seams are double-welded – making the suit look like it's made from a single piece.

„Zero“ Water
No water entry to cool you down – enjoy the water for longer

WATERSKI TITANIUM

The best water skiers in the world go with CAMARO!

SEAMLESS

Ultra-thin material – like a second skin!

Unique technology – a thin layer of neoprene (0.5 to 1.5 mm) is sufficient for optimal thermal insulation. Maximized freedom of movement enables peak performance and eliminates any restriction caused by the suit's material resistance.
